IV. _____

Reasons for Departure – Mitigating Circumstances
(reasons may be checked here or written on the scoresheet)

- Legitimate, uncoerced plea bargain.
- The defendant was an accomplice to the offense and was a relatively minor participant in the criminal conduct.
- The capacity of the defendant to appreciate the criminal nature of the conduct or to conform that conduct to the requirements of law was substantially impaired.
- The defendant requires specialized treatment for a mental disorder that is unrelated to substance abuse or addiction, or for a physical disability, and the defendant is amenable to treatment.
- The need for payment of restitution to the victim outweighs the need for a prison sentence.
- The victim was an initiator, willing participant, aggressor, or provoker of the incident.
- The defendant acted under extreme duress or under the domination of another person.
- Before the identity of the defendant was determined, the victim was substantially compensated.
- The defendant cooperated with the State to resolve the current offense or any other offense.
- The offense was committed in an unsophisticated manner and was an isolated incident for which the defendant has shown remorse.
- At the time of the offense the defendant was too young to appreciate the consequences of the offense.
- The defendant is to be sentenced as a youthful offender.
- The defendant is amenable to the services of a post adjudicatory treatment-based drug court program and is otherwise qualified to participate in the program.
- The defendant was making a good faith effort to obtain or provide medical assistance for an individual experiencing a drug-related overdose.

Pursuant to 921.0026(3) the defendant's substance abuse or addiction does not justify a downward departure from the lowest permissible sentence, except for the provisions of s. 921.0026(2)(m).
